SUBJECT:-

Participation in the Indian Administrative Service Scheme.

OPINION OF THE COUNCI:

Mysore has had a Civil Service based largely on the system prevailing in adjacent Provinces under British administration. The question therefore arises whether, apart from financial commitments, it is possible to introduce at this stage any personnel from outside Mysore into the senior scale. It is felt that the question of selecting some of the existing officers as senior scale officers and treating the rest on the Mysore scale would produce dissatisfaction in the service. As this is a homogeneous service which has been built up in the State and does not present the difficulties which some of the Unions of States present in this matter, the Government of Mysore is of the opinion that it is not desirable to introduce any new elements in the senior scale or indeed to differentiate among the existing personnel in that scale.

So far as junior scale is concerned, at present, the Mysore State recurits to this cadre, i.e., Assistant Commissioners, both by promotion from the lower ranks and by direct appointments, either through a competitive examination or by nomination. The Mysore Government is anxious to join in the benefits of an Indian Administrative Service particularly if, and because, it will give subjects of the State an opportunity to participate in the Administrative Service of the Dominion of India. Government propose that 25 per cent of vacancies arising from time to time in the cadre of Assistant - Commissioners, that is, the junior scale, may be filled up by candidates selected by the Indian Administrative Service and the remaining 75 per cent will be filled up in the State by promotion or by direct

recruitment. The officers taken initially in this manner will, at the appropriate stage, be promoted to the senior scale by the Indian Administrative Service. It is therefore unnecessary to earmark any particular appointments or fix any particular number of places in the senior scale for such officers.

There will thus be a differential scale of pay for the Indian Administrative Officers who are recruited initially to the junior scale and when they are promoted to the senior scale differing from the scale of pay which other Mysore civil servants recruited otherwise will be drawing. This anamoly exists elsewhere also and, though it is new to Mysore, the Government of Mysore, in the interests of reciprocity, are prepared to accept this anamoly.

So far as police service is concerned, the Government of Mysore do not consider it necessary to have officers of the All India service.

Submitted to His Highness.

These papers relate to the question of participation by this State in the Indian Administrative and Police Services Schemes.

Note 'R'

In deference to wishes expressed by States, the Government of India have decided that subjects of any acceding Indian State will be eligible for appointment to the Indian Administrative and Police Services, provided the State participates in the Indian Administrative and Police Services Schemes and establishes cadres in its own territory in the same way as Provinces have done, based on common services conditions on an All-India basis.

The Government of India addressed this Government in August last enquiring whether Mysore agrees to participate in the Indian Administrative Services and/or Indian Police Service Schemes on these terms and if so, requested to be informed of the number of vacancies in the State, if any, which should be reserved for members of the Indian Administrative/Indian Police Service.

The scales of pay of officers are as follows:-

(a) Indian Administrative Service:-

Junior Scale: Rs.350-400-450-450-500-540-30-600-E.B.870-40-950 (19 years);

Senior Scale: Rs.800 (6th year or under)-50-1000-60-1300-50-1800 (25 years).

(b) Indian Police Service:

Junior Scale: Rs.350-350-380-380-30-590-E.B.-30-770-40-850 (19 years);

Senior Scale: Rs.600 (6th year or under)-40-1000-1000-1050-1100-1150 (in the 22nd year).

The acceptance of these schemes would mean that we have to establish analogous cadres for posts which may be fixed for this purpose with the same set of service conditions regarding leave,

travelling allowances, provident fund, medical attendance facilities, etc., which have been detailed in the memorandum of which a copy is attached. The memorandum relating to the Indian Police Service Scheme is on the same lines.

D

These Schemes have been under examination since then and were finally taken up for consideration at a meeting of a Council held at Mysore on the 16th July 1949, when the following resolution was recorded:-

'B'

"Mysore has had a Civil Service based largely on the system prevailing in adjacent Provinces under British administration. The question therefore arises whether, apart from financial commitments, it is possible to introduce at this stage any personnel from outside Mysore into the senior scale. It is felt that the question of selecting some of the existing officers as senior scale officers and treating the rest on the Mysore scale would produce dissatisfaction in the Service. So far as junior scale is concerned, at present, the Mysore State recruits to this cadre, i.e., Assistant Commissioners, both by promotion from the lower ranks and by direct appointments, either through a competitive examination or by nomination. The Mysore Government is anxious to join in the benefits of an Indian Administrative Service particularly if, and because, it will give subjects of the State an opportunity to participate in the Administrative Service of the Dominion of India. Government propose that 25 per cent of vacancies arising from time to time in the cadre of Assistant Commissioners, that is, the junior scale, may be filled up by candidates

selected by the Indian Administrative Service and the remaining 75 per cent will be filled up in the State by promotion or by direct recruitment. The officers taken initially in this manner will, at the appropriate stage, be promoted to the senior scale by the Indian Administrative Service. It is therefore unnecessary to earmark any particular appointments or fix any particular number of places in the senior scale for such officers.

There will thus be a differential scale of pay for the Indian Administrative Officers who are recruited initially to the junior scale and when they are promoted to the senior scale differing from the scale of pay which other Mysore civil servants recruited otherwise will be drawing. This anamoly exists elsewhere also and, though it is new to Mysore, the Government of Mysore, in the interests of reciprocity, are prepared to accept this anamoly.

So far as police service is concerned, the Government of Mysore do not consider it necessary to have officers of the All India service."

Meanwhile, the Government of India called a Meeting of Chief Secretaries of Unions and States at the States Ministry on the 25th July 1949 to finalise all questions relating to the constitution of Indian Administrative Service Scheme Cadres in the States and Unions. Sri K. Srinivasan, Chief Secretary to Government, was deputed to participate in the meeting and to communicate a statement of views of this Government in the matter as contained in the above resolution of the Council.

Sri Srinivasan has since returned from Delhi after participating in the Meeting of the Chief Secretaries of Unions and States held in the States Ministry on the 25th July 1949. The minutes of the Meeting have been received and are under examination separately and will be submitted to His Highness in due course.

I solicit the gracious approval of His Highness to the Resolution of the Council dated 16th July 1949 and to the action

SUBJECT:-

PARTICIPATION OF INDIAN ADMINISTRATIVE/POLICE SERVICES SCHEMES.

In deference to wishes expressed by States, the Government of India have decided that subjects of any acceding Indian State will be eligible for appointment to the Indian Administrative and Police Services, provided the State participates in the Indian Administrative and Police Services schemes and establishes cadres in its own territory in the same way as Provinces have done, based on common services conditions on an All-India basis.

The Government of India enquire whether Mysore agrees to participate in the Indian Administrative Service and/or Indian Police Service Schemes on these terms, and if so, request to be informed of the number of vacancies in the State, if any, which should be reserved for members of the Indian Administrative/Indian Police Service.

The scales of pay of officers are as follows:-

(a) Indian Administrative Service:-

Junior Scale: Rs.350-400-450-450-500--540-30-600-E.B.870-40-950 (19 years);

Senior Scale: Rs.800 (6th year or under)--50-1000-60-1300-50-1800 (25 years).

(b) Indian Police Service:

Junior Scale: Rs.350-350-380-380-30-500-E.B.-30-770-40-850 (19 years);

Senior Scale: Rs.600 (6th year or under)--40-1000-1000-1050-1100-1150 (in the 22nd year).

With a view to forming an opinion on these schemes, more particularly to work out the financial commitment, if any, the Government of India are addressed for information on the following points:-

(1) the number of posts that have to be reserved by the Mysore State for members of the Indian Administrative/Police Services;

(2) the number of posts that will be allotted to Mysore State in the Administrative/Police Services: in the different Scales.

(3) The appointing authorities.

(contd....

(4) The procedure regarding exchange of officers, if any.

(5) Rules regarding leave and pensionary contributions etc.

In reply, the Government of India have forwarded copies of memoranda regarding the constitution of the Indian Administrative and Police Services, containing details of the scheme. These memorands do not answer the above points specifically, more particularly, as regards the number of vacancies which should be reserved in Mysore for members of the I.A.S. and I.P.S. It is clear, however, that the determination of this number is a matter for negotiation with the Government of India.

The replies to the points raised in para 6 may be taken roughly as follows:-

Points (1) and (2).

The number and character of posts under these two heads will presumably be the same and have to be fixed separately in consultation with the Central Government with reference to the State's requirements and the obligations, if any, under the scheme.

(3) Recruits selected on the result of an Examination are appointed to service by the Central Government and posted to a Province or State in consultation with the latter.

(4) It is open to the participating Provincial or State Government to fill up a number of posts not exceeding 25% of that allotted to the Provincial Government by promotion of members of the Provincial or State Civil Service. The rules regulating the promotion of Provincial or State Civil Service Officers to the Indian Administrative Service are to be framed by the Provincial or State Government concerned in consultation with the Federal Public Service Commission.

(5) Rules regarding leave are the same as for Class I Officers of the Central Government in terms of the revised rules 1933. A copy of the Revised Rules 1933 is not however available. Officers of the I.A.S. and I.P.S. will contribute compulsorily towards a provident fund at rates specified.

Terms of retirement benefits etc. are still under consideration.

When the file was first worked up, the then Chief Secretary to Government Sri V.Vedavyas Acharya, noted as follows:-

On abstract and general grounds, it seems to me that it is beneficial that Mysore should participate in the Schemes under reference relating to the Indian Administrative Services and the Indian Police Services.

This would mean that we have to establish analogous cadres for posts which may be fixed for this purpose with the same set of service conditions regarding leave, travelling allowances, provident fund, medical attendance facilities etc. which have been detailed in the enclosure to the letter from the Government of India.

In case a decision on this general question is first taken, it can be then decided how many such posts should be included in the several cadres in Mysore.

The matter is of great importance, and it is only by our agreeing to participate in the schemes, that we shall have a surer chance of having Mysore youngmen in high administrative or Police jobs in other parts of ~~all~~ وقد Dominion.

The matter may be considered at a Meeting of the Council.

When the file was submitted to the Chief Minister, he minuted as follows:-

"Council Meeting. The Financial implications have also to be worked out and embodied in the Circulation Note."

As the material available is not sufficient for examining the financial implications fully, it is proposed to defer the examination of the financial aspects of the schemes and to consider the question of the immediate acceptance of the scheme in principle subject to settlement of the details by negotiation with the Government of India.

The present Chief Secretary has noted on the schemes as follows:-

For the present, we may write to Government of India, agreeing to participate in the scheme, reserving the question of number of places to be reserved for being filled up by I.A.S. AND I.P.S.Officers in Mysore, for decision later. The actual number may perhaps be, in the first instance, four for I.A.S. and

and two for I.P.S. The schemes allow for 25% of these places being filled up by the Government (Provincial or States) by men from among the ~~XXX~~ P.C.S. (or M.C.S. here).

The main advantage in participating in the scheme would consist, apart from other matters, in a fair number of Mysorean youngmen being taken on to the I.A.S. and I.P.S. year by year.

As in the Proginces, this Government will also have to set apart a certain number of places in the administrative services, to be filled up solely by men from these cadres. There would be extra cost to that extent, but against that we shall have the advantage of the experience of men from the I.A.S. and I.P.S. serving the State Government, and a certain number of Mysoreans being recruited annually to these services by the Federal Public Service Commission. ~~Then~~ men in the local Civil Service can also get into this service to a limited extent.

The Financial Secretary has noted as follows:-

"Financially the extra cost is unwelcome, but the matter appears to be not merely financial."

The Home Minister has minuted as follows:

"The question requires careful consideration, particularly in view of the impending question of levelling up State Administration machinery. The matter may be considered in Council."

The Minister for Finance and Industries has expressed his views in the following minute:-

"The scheme may offer certain advantages though obviously it involves extra cost. Better discuss in Council."

Copy of the Memorandum in regard to the I.A.S. is attached hereto. That relating to I.P.S. is on the same lines.

It has been ordered that the matter may be discussed at a Council Meeting.

for Chief Secretary to Government.

The regulations setting out the conditions of eligibility, nature of tests, etc. will be framed by the Central Government in consultation with the participating Provincial Governments and the Federal Public Service Commission.

(c) A provincial Government may declare that such number not exceeding twenty-five percent of the superior posts allocated to the Provincial Govt. in the schedule to this memorandum, a s may be specified by that Government shall be filled by that Government by promotion of members of the Provincial Civil Service.

(d) The rules regulating promotion of Provincial Civil Service Officers to the Indian administrative service shall be framed by the Provincial Government concerned in consultation

with the Federal Public Service Commission and shall provide that no Provincial Civil Service officer shall be appointed to hold a superior post included in the Schedule for a period of more than one year unless the Federal Public Service Commission have certified that the officer is in every way fit to hold a superior post in the Indian Administrative Service.

3. (a) Posts included in the Schedule to this Memorandum shall be filled by members of the Indian Administrative Service unless:

i) the vacancy is not likely to last for more than three months; or

ii) in the opinion of the Government concerned there is no suitable officer of the Indian Administrative Service available to hold the post.

(b) Every appointment of an officer who is not a member of the Indian Administrative Service, made to a post included in the Schedule to this Memorandum otherwise than in accordance with paragraph 2, for a period exceeding three months should be reported by the Provincial Government concerned to the Central Government with the reasons for making such appointment.

4. Candidates selected for appointment to the Indian Administrative Service will be allotted to the participating Provinces by the Central Government in consultation with the Provincial Government concerned and, as far as possible, in compliance with the latters' wishes. Candidates will as far as possible be allotted to their Province of origin and / or domicile.

5. (a) Candidates selected for appointment to the Indian Administrative Service will be appointed to the service on probation and will be required to undergo probation for such periods and at such places as the Central Government may determine.

(b) The Central Government will frame, in consultation with the Provincial Governments, rules to regulate the conduct, discipline and training of probationers.

6. A probationer on successful completion of his probation will be confirmed in the Administrative Service. An officer belonging to the Indian Administrative Service shall be liable to serve anywhere in India either under the Central Government or under a Provincial Government. He shall submit himself to the orders of the Government under which he is serving for the time being and of the officers and authorities under whom he may, from time to time, be placed by that Government shall devote his whole time to his duties, shall at all times obey any rules prescribed by the Central Government and the Provincial Government under whom he is serving for the time being to govern officers of the Indian Administrative Service and shall perform such duties as may be assigned to him.

7. In order to ensure that the conditions of service applicable to officers of the Indian Administrative Service are as uniform as - possible, rules regulating pay and other conditions of service will be framed by the Central Government to such extent as is considered necessary. Provincial Governments will, however, be consulted before the rules are framed, and before they are amended in any manner. In respect of matters not covered by the said rules, an Officer of the Indian Administrative service will be governed by such rules as may be framed by the Government under which he is for the time being serving and, if no such rules are framed, by the rules applicable to the Central Service/Provincial Civil Service, Class I, as the case may be.

8. The Central Government may frame, in consultation with Provincial Governments, such rules to regulate the conduct of members of the Indian Administrative Service.

9. (a) The following penalties may, for good and sufficient reason and as hereinafter provided, be imposed upon members of the Indian Administrative Service, namely:

i) Censure;

ii) Withholding of increment of promotion including stoppage at an efficiency bar;

iii) Reduction to a lower post or time-scale, or to a lower stage in a time-scale;

iv) Recovery from pay of the whole or part of any pecuniary loss caused to Government by negligence or breach of orders;

v) Removal from the Civil Service of the Crown, which does not disqualify from future employment.

vi) Dismissal from the Civil Service of the Crown which disqualifies from future employment under the Central Government or Provincial Governments, unless the Government concerned directs to the contrary.

Explanation: The discharge of a person appointed on probation, during or at the end of the period of probation, on grounds arising out of the specific conditions laid down by the appointing authority, e.g. want of a vacancy, failure to acquire prescribed special qualifications or to pass prescribed tests does not amount to removal or dismissal within the meaning of this rule. But the discharge of a probationer, whether during, or at the end of the period of probation, for some specific fault or on account of his unsuitability for the service, amounts to removal or dismissal within the meaning of this rule.

(b) An officer against whom a disciplinary enquiry is pending may be suspended by the Government under which he is serving. An Officer under suspension shall be paid by the Government suspending him a subsistence allowance equal to one-third of the average monthly pay earned by him during the preceding twelve months. In addition that Government may direct payment of any compensatory allowance of which the officer was in receipt on the date of suspension to such extent and subject to such conditions as it may direct.

10. (i) No member of the Indian Administrative Service shall be removed or dismissed except by an order of the Central Government.

(ii) Before passing such an order the Central Government shall consult the Provincial Government concerned and the Federal Public Service Commission, and if the Federal Public Service

Commission and the Provincial Government are in agreement, shall accept their agreed opinion. Where the Federal Public Service Commissionxx and the Provincial Government concerned disagree, the decision as to the order to be passed shall rest with the Central Government and shall be final.

11. Subject to the Provisions of Rule 12, the Government under which an Officer of the Indian Administrative Service is serving may - impose on him any of the penalties specified in clauses (i) to (iv) of paragraph 9 (a)

Before imposing any punishment, however, the Government concerned shall consult the Federal Public Service Commission and shall not depart from the Commission's advice save only for exceptional reasons to be recorded in writing.

12. In Order to provide for the case of a disciplinary order which, although not one of dismissal or removal, might have the effect of dismissal or removal by compelling an officer to resign, for example, an order requiring the recovery from an officer of a substantial pecuniary loss, a Provincial Government shall, before imposing contrary to the advice of the Federal Public Service Commission, any penalty proposed to the Central Government. If the Central Government find that the proposed penalty is not such that it might reasonably be expected to compel the resignation of the officer concerned, they will return the case to the Provincial Government for passing final orders. If however the Central Government find to the contrary they will deal with the case as though it were one of dismissal or removal under rule 10.

13. (1) No order imposing a penalty other than an order of censure or an order based on facts which have led to the Officer's conviction in a criminal court or by a court martial shall be passed against an officer of the Indian Administrative Service unless he is informed in writing of the grounds on which it is proposed to take action and has been afforded an adequate opportunity of defending himself. The grounds on which it is proposed to take action shall be reduced to the form of a definite charge or -

charges which shall be communicated to the officer charged together with a statement of the allegations on which each charge is based and of any other circumstances which it is proposed to take into consideration in passing orders on the case. He shall be required within a reasonable time to put in a written statement of his defence and to state whether he desires to be heard in person. If he so desires or if the authority concerned so directs an oral enquiry shall be held. At such enquiry evidence shall be heard as to such of the allegations as are not admitted and the officer charged shall be entitled to cross examine the witnesses, to give evidence in person and to have such witnesses called as he may wish provided that the officer conducting the enquiry may for special and sufficient reasons to be recorded in writing refuse to call a witness. The proceedings shall contain a sufficient record of the evidence and a statement of the findings and grounds thereof.

(ii) The full procedure prescribed in sub-rule (i) above need not be followed in the case of a probationer discharged in the circumstances described in the Explanation under rule 9. In such cases it will be sufficient if the probationer is given an opportunity to show cause in writing against the discharge after being apprised of the grounds on which it is proposed to discharge him and his reply duly considered before orders are passed.

14. There shall be no appeal against any disciplinary order but the Government passing the order may revise, of its own motion or otherwise, any orders passed by it.

BANGALORE CUP DAY

PROSPECTS AND SELECTIONS

(FROM OUR SPECIAL CORRESPONDENT.)

BANGALORE, June 11.

Racegoers will have plenty of entertaining fare to-morrow afternoon when the sixth day's races of the Bangalore Meeting will be staged. The Bangalore Cup of 6 furlongs, one of the important events of the season, is on the programme and this race will be run in two divisions. The first division, in which there are 11 acceptors, should provide first-rate sport. Indian horses in Class "A" have a Cup race and it is for the Madras Cup to be run over 1¼ miles.

Pretty thick showers fell last night and the going was yielding when the horses were spurted this morning in preparation for to-morrow's races.

The daily treble will be on the third, fifth and seventh races.

PALACE PLATE (1m): 2-15 p.m.

Sylvian has been penalised 9 lbs. for winning the Sirur Plate run over an identical distance. Even so, on form the chestnut mare has to be fancied again. Bonzo has just come down in class and he has been running well in the higher division before relegation. Royal Gambler and Random Harvest have also fairly good form to go by.

Selections: (1) SYLVIAN, (2) BONZO. Fluke: ROYAL GAMBLER.

BANGALORE CUP, DIV. II (6f): 2-45 p.m.

On the form disclosed in the Calcutta Cup run in two divisions, The Chef and Nettled, the winners, suggest themselves powerfully. Nettled has been taken up 9 lbs. in the handicap and The Chef by 5 lbs. but Illicit is fully fit and she and Nettled may closely fight it out with advantage in favour of the first named. Hong Kong has worked very well in private, having galloped 5 furlongs in 1 minute 5 seconds. This one, and Futurity may also have a say in the finish.

Selections: (1) ILLICIT, (2) NETTLED. Fluke: THE CHEF.

BASRA PLATE (1m): 3-20 p.m.

Nawadir was a trifle unlucky when losing by a short head to Hilal Salam in the Hajee Plate (1⅛m), and over the distance of the present race, may be hard to beat. Waaraja, who has now come into his own, Good Hope and Prince Faisal may extend Rosen's ward to an extent.

Selections: (1) NAWADIR, (2) WAARAJA. Fluke: GOOD HOPE.

EMPIRE PLATE (7f): 3-55 p.m.

Al Nadir, Naqib, Mountain Ash, Eden and Mahbub Subhi look as the leading contenders. On their running in the Ismailia Plate (1m), Mountain Ash and Take it Easy, who finished second and third respectively make an appeal at the weights. Both of them ... ing ... ib ... s
